Our Mission: To Seek, Know, Love and Serve Christ in all Persons and in all Creation

Ramblings from the Sunday School.....

When we talked about the things that have happened over the months, the most obvious was the changes in size. We were large and had most students involved in some part of the service and now we are small. Our decreased size is due mostly to family moves that have been good. So, while it's sad to not see those faces often, they remain part of our family.

Unanimously, the best thing was the visit from the Humane Society to pick up the check from our Christmas Cookie fund raiser. Frosting the cookies was good messy fun, too. Come to think of it, eating them was enjoyable also!

The Wise Men have been all over. They've been moved back to the Sunday School room when the undercroft was used for gatherings and forgotten there. Even when they were out on the tables we've forgotten to move them each week. But, we've gotten a feel of how much time they spent traveling and the amount of faith it took. We've wondered if they ever felt discouraged and just wanted to go home? Or if they ever doubted the purposed of their journey.

On a personal note, I've been so proud of how the students care for each other, jump in to teach, help and encourage one another.

Coming up our focus will be one creation care. We're not exactly sure how that will manifest, so stay tuned.
