*If 2019 was the year of the pigeons I'll leave the naming of 2020 up to each of us individually!*

The Bylaws created in 2019 were amended with the suggestions from the ECMN and passed.

The Safe Church Emergency Plan created by Carol Grim still needs the final step of being presented to the congregation (to be done at this meeting) and floor plans posted showing the exits, placement of fire extinguishers. Due to Covid restrictions the fire department was unable to enter the building and advise us where smoke and carbon monoxide detectors should be placed.

Leanne Crompton continues to practice the organ and made a donation which was used toward the care of the organ.

Andy Wright and Mike Noland finished the window project in the Vestry Room.

Andy Wright, Mike Noland, and Mel Mattsen completed an audit with Christ Church in Grand Rapids.

Since the building was not being used as much as usual we cut the cleaning back to every other week, lawn care as needed, and shoveling when over three inches fall.

There were upgrades to the audio and video to create a better Facebook stream for services.

The Vestry approved the purchase of a new A/C unit for the Vestry Room and offices.

Andy Wright repaired the toilets that were running.

**Many of the things we planned to do couldn't happen due to the Covid restrictions. The unfinished items are:**

Flickering lights. We need to be in the church to pinpoint which are flickering. Andy has put a sheet up by the organ to mark which lights need attention.

Insurance plan on appliances.

A total inventory of items in the church as required by the audit. We had planned on having some pot luck cleaning get togethers to get in to nooks and crannies while inventorying rooms.

The rock facing and drain pipes need some work, but as our income has decreased while we haven't met in person we decided to table it until spring.
