Our Mission: To Seek, Know, Love and Serve Christ in all Persons and in all Creation

Ramblings from the Rev.....

Submitted by: Rev. Dr. Samantha Crossley

Dear Holy Trinity,

In this season of autumnal transformation tucked neatly between Canadian and American Thanksgivings - a season when the morning mists rise off the lake; when the setting sun's dramatic shadow-play transforms the conifers' rich greens into deep velvety violet while simultaneously intensifying the gilded leaves with the waning gold of its own rays; when the frost graces each blade of grass with a good night kiss; when the natural world gives up its thanks and praise in harvest of grain and fruit and renewing root - in this season I join nature's glorious song with my own litany of praise and thanksgiving.

Consider this a thank you note to you, dear faith community. 10 years is a long time...a long time that flies by in an instant. October 1st of this year marked 10 years that you have welcomed me in the pulpit, at the altar, at bedsides, at the imposition of ashes, at the baptismal font, at home blessings, and at gravesides. We have journeyed together in prayer, in study, in the Eucharist, in service, in fellowship, in repentance and renewal, in grief and in joy. For this abundance of grace and communion, I give thanks to God, and thanks to you, Holy Trinity.

In deep gratitude and in the love of Christ our Savior, I offer this blessing, written by the Iona Community in Scotland. (The Pattern of our Days, 1997)

May the Maker's blessing be yours
Encircling you around
Above you
Within you.

May the angel's blessing be yours
And the joy of the saints
To inspire you
To cherish you.

May the Son's blessing be yours
The wine and the water
The bread and the stories
To feed you
To remind you.

May the Spirit's blessing be yours
The wind, the fire
The still small voice
To comfort you
To disturb you

And may my own blessing be yours
A blessing rooted in our common pilgrimage
The blessing of a friend. *Amen*
